

# PROTEK DRAINRITE

## Drain De-clogging Liquid

PROTEK DRAINRITE is ready to use product. Effective for maintaining drains free from clogging.

### Key Features:

- Highly effective acidic formulation.
- Fast acting.
- Reacts fast with fats and carbohydrates which are choking the drains.

### Benefits:

- Ready to use product.
- Clears the drain effortlessly.
- Keeps the drain malodour free.

### Directions for use:

#### 1. Dosage:

PROTEK DRAINRITE is ready to use product. Apply undiluted.

#### 2. Application:

Pour 200 ml of the product in the clogged drain and allow for 10 to 20 minutes. After 20 minutes flush with water (preferably hot water). For heavily clogged drains, dose required 500 ml or need to repeat the operation.

#### 3. Important:

Do not use on Aluminum surface. Vigorously reacts with Aluminum metal and liberates H<sub>2</sub> gas.

### Technical Specifications\*:
