

PROTEK FABPOWER L

Liquid Main Wash Detergent for Washing Textiles

PROTEK FABPOWER L is a complete liquid main wash detergent specially formulated for commercial laundries. It is suitable for cotton and poly/cotton textiles.

Key Features:

- Highly effective formulation consisting of surfactants, water hardness sequestering agents, builders, anti-re-deposition and anti-corrosion agents.
- The product can be applied in almost all water hardness areas (>40 ppm) over a wide range of temperatures.
- The product can also be used as a single shot detergent.

Benefits:

- Excellent performance on soil, dirt and stains.
- Ensures long lasting whiteness.
- Offers softening benefits.
- Prevents corrosion of machine parts.

Directions for use:

1. Dosage:

PROTEK FABPOWER L is ready to use product. Apply undiluted.

<u>Soil level</u>	<u>Dosage (ml / kg dry goods)</u>
Light	5 – 10
Medium	10 – 15
Heavy	20 – 30

2. Application:

For obtaining best results –
Segregate polyester cotton articles from other articles and wash separately.
Separate white and coloured goods.
Separate light, medium and heavily soiled articles.

PROTEK FABPOWER L
