

PROTEK FABSOFT

Fabric Conditioner

PROTEK FABSOFT is a fabric conditioner cum softening liquid. The product is suitable for application on most types of textiles.

Key Features:

- Concentrated formulation.
- Provides soft and smooth feel.
- In the wash solution, positively charged particles absorb onto negatively charged surface of fabrics and prevents interlocking of fibres and build - up of static charge.

Benefits:

- Excellent softness on most types of textiles.
- Prevents build - up of static charge especially on synthetic fibres.
- Delivers a soothing fragrance.

Directions for use:

1. Dosage:

1.5 - 5.0 ml / kg of dry fabric.

2. Application:

The softener should be applied in the last rinse of washer extractor. This product should not be used on articles made of micro polyester fibers and water repellent theatre linen.
