

# PROTEK TBC

Strong Toilet Bowl Cleaner to Clean Even Tough Stains

**PROTEK TBC** can be used to clean toilet bowl / urinal stalls for the removal of stains, lime scales and other residue.

## Key Features:

- Highly effective acidic formulation.
- Fast acting.
- Ideal viscosity for excellent adhesion.
- Provides a fresh fragrance.
- Thick formulation to give contact time

## Benefits:

- Fast & thorough removal of stains, other residue and scales & other residues.
- Extended contact time for vertical / sloped surfaces for optimum cleaning efficiency.
- Suitable for use on porcelain and glazed sanitary installations.
- Fresh fragrance provides a pleasant atmosphere.

## Directions for use:

### 1. Dosage:

2.

**PROTEK TBC** is ready to use product. Apply undiluted.

### 3. Application:

Flush the toilet bowl or urinal. Gently squeeze the bottle to direct product under the rim, around the bowl and onto water / flush paths. Distribute with toilet brush. Allow at least 5 min contact time, scrub with a brush or pad to remove difficult stains, then flush to rinse.

### 4. Important:

Do not use on stainless steel. Do not use on acid sensitive surface like enamel or marble. Immediately remove any drop or splash from acid sensitive surfaces and rinse thoroughly with water. Do not mix with bleach or other cleaning products.

## Technical Specifications\*:

**Appearance** Ocean Blue Viscous Liquid

**pH (1%)** Acidic (<2)

**Specific Gravity (25°C)** 1.0 ± 0.1

\* The above data is typical of normal production and should not be taken as a specification.
